**2. How long you have been in business and do you live in the area?**

Since October of 2007

I live in Franklin, WI

**3. Why did you choose to open your business on Brady Street?**

It has always been a very intriguing street to me, so unique and diverse.

I have been going to this area my whole life, my family spent much time here over the years...so much history! It just seemed to be the perfect fit!

**4. What would you like to share with our Brady Street admirers?**

I have one son and just became a Grandmother. I have a very big orange tabby cat that I adopted named Lucky who weighs 23lbs. and sleeps on me every night. I also worked as an artist for over 20 years before I bought the cafe (with my sister, Eva) and love to surround myself with art, hence the gallery nights and music events that we promote at our cafe. In my spare time I love to ride my bike, cook, paint, sew and create things! Recently I made my first stained glass piece that contains over 100 pieces of glass. It hangs in the front window of Brewed Cafe.
